

# JEWISH Identity Theft!

## DECEPTIVE MISSIONARIES ARE COMING TO YOUR COMMUNITY...

Their goal is to convert you to Christianity by telling you "it's the most Jewish thing you can do".

They'll ask you questions to draw you in.  
They'll give you their pamphlets.

Then... they'll ask you for your name, your phone number, your e-mail in order "to continue the conversation."

## THE BEST RESPONSE... JUST SAY NO!

Never give away your contact information.

They'll give your personal information to a trained missionary for follow-up.

How can you learn more? Call us. Write us.  
Or contact us on the internet.

To get connected to your heritage and your community call your local Rabbi or Jewish Community Center or Federation.

Ask about God, Torah... even Jesus.

Judaism has had the answers for more than 3,500 years. Take the time to find out about your rich and vital heritage and its relevance today. Say "YES" to Judaism and get connected.
